2022 Winemakers Classic White

Tasting Notes

The Story

The Winemakers Range is all about delivering quite simply the best Western Australian wine at the best price. These wines are typically a blend of both the Margaret River and Swan Valley wine growing regions. The riper, richer notes from the Swan Valley compliment the elegant and sophisticated flavours from the cooler climate of Margaret River. These wines are about imminent drinkability and crafted to suit a wide range of food. Or simply enjoy a chilled glass on its own. As always, enjoy in moderation.

Grapes

A blend of Sauvignon Blanc, Semillon and Chardonnay

Origin

Margaret River & Swan Valley

Vintage

2022 was dry and hot. The preceding winter and spring rainfall were above average and provided ample ground moisture for the vines to cope with the heat extremes of the summer. Fruit ripened to plan and was harvested with ripe, fresh flavours.

Winemakers Blurb

This wine was made from Sauvignon Blanc, Semillon and Chardonnay grapes from both the Margaret River and Swan Valley wine growing regions. Fruit was picked in the cool of the night during the month of February 2022. Following crushing and pressing, the juice underwent a cool fermentation in stainless steel tanks to preserve the natural fruit flavours. Well suited to a wide range of foods, or simply enjoy on its own.

Drinking Notes

Abundant tropical fruits, citrus and passionfruit flavours abound. The aromas of the nose follow onto the palate. These flavours are carried by bright, fresh acidity leading to a sustained clean finish. Well balanced and wonderful length of flavour. A drink now style – and don't be afraid to throw in an ice cube or two during the summer months.
