

SANDALFORD

WINEMAKERS

2022 Winemakers Late Harvest

Tasting Notes

The Story

The Winemakers Range is all about delivering quite simply the best Western Australian wine at the best price. These wines are typically a blend of both the Margaret River and Swan Valley wine growing regions. The riper, richer notes from the Swan Valley compliment the elegant and sophisticated flavours from the cooler climate of Margaret River. These wines are about imminent drinkability and crafted to suit a wide range of food. Or simply enjoy a chilled glass on its own. As always, enjoy in moderation.

Grapes

85% Verdelho & 15% Chenin Blanc

Origin

Swan Valley

Vintage

2022 was dry and hot. The preceding winter and spring rainfall were above average and provided ample ground moisture for the vines to cope with the heat extremes of the summer. Fruit ripened to plan and was harvested with ripe, fresh flavours.

Winemakers Blurb

Late harvest wine is wine made from grapes left on the vine longer than usual. The result is a higher level of sugar accumulation within the grapes. This wine was made from late harvested Verdelho and Chenin Blanc grapes picked in the cool of the night during the month of February 2022. Following crushing and pressing, the juice underwent a cool fermentation to protect their delicate tropical flavours. This wine is full of natural grape sweetness which gives texture and weight to the palate. Well suited to lightly spiced Asian foods. Or simply enjoy on its own well chilled.

Drinking Notes

This wine just has that drinkability factor. Full of passionfruit, melon and tropical fruit salad flavours, it is juicy and sweet with the acid in balance with the sweetness. This wine was crafted to enjoy whilst fresh and youthful. Chill it down as cool as you like, or throw in an ice cube or two if needed. Cheers to those relaxing afternoons!

Wine Analysis

Alcohol 10.3%

pH 3.32

TA 7.65 g/L

This wine is vegetarian friendly
