2022 Winemakers Rose

Tasting Notes

The Story

The Winemakers Range is all about delivering quite simply the best Western Australian wine at the best price. These wines are typically a blend of both the Margaret River and Swan Valley wine growing regions. The riper, richer notes from the Swan Valley compliment the elegant and sophisticated flavours from the cooler climate of Margaret River. These wines are about imminent drinkability and crafted to suit a wide range of food. Or simply enjoy a chilled glass on its own. As always, enjoy in moderation.

Vintage

2022 was dry and hot. The preceding winter and spring rainfall were above average and provided ample ground moisture for the vines to cope with the heat extremes of the summer. Fruit ripened to plan and was harvested with ripe, fresh flavours.

Winemakers Blurb

This wine was made from Merlot fruit grown on the Sandalford Estate property. Machine harvested fruit was picked in the cool of the night and delivered to the winery for processing. Following destemming, the must was chilled and received a few hours skin contact before pressing to tank. Only the free run portion of the juice was utilised for fermentation in stainless steel tanks. The finished wine was then given a light fining and filtration before bottle. Well suited to a wide range of foods, or simply enjoy on its own.

Drinking Notes

Bright red berry fruits, raspberry and potpourri with underlying spice. The flavours follow onto the palate and are carried by bright, fresh acidity leading to a clean, dry finish. Well balanced and wonderful length of flavour. A drink now style suited to wide variety of food styles, particularly Tapas. Drink with an ice cube or two during the summer months to keep the wine cold.
