

2025 Winemakers Rose

Tasting Notes

The Story

The Winemakers Range of wines are typically a blend of both the Margaret River and Swan Valley wine growing regions. The riper, richer notes from the Swan Valley compliment the elegant and sophisticated flavours from the cooler climate of Margaret River. These wines are about imminent drinkability and crafted to suit a wide range of food. Or simply enjoy a chilled glass on its own.

Grapes

85% Shiraz, 15% Merlot

Origin

Swan Valley

Vintage

The South West of Western Australia experienced below-average rainfall leading into the growing season and the warmest spring temperatures on record for Western Australia. The weather pattern remained hot and dry throughout the growing season resulting in the warmest summer on record. Flowering, version, and ripening all occurred early which led to vintage commencing two weeks earlier than normal. Harvesting occurred at optimal ripeness, and the resulting wines are full of flavour and generosity.

Drinking Notes

Bright red berry fruits, raspberry and potpourri with underlying spice. The fruit flavours follow onto the palate and are carried by fresh acidity leading to a clean, juicy finish. A gently fruity well-balanced wine made for immediate drinking. Suited to a wide variety of food styles, or simply enjoy it on its own well chilled. Add an ice cube or two to the glass to keep the wine cool during the summer months.

Wine Analysis

Alcohol 12.8%

pH 3.31

TA 6.08 g/L

This wine is vegetarian friendly
