

SANDALFORD

Founders Reserve Liqueur Tawny

Tasting Notes

Colour:

A classic caramel tawny.

Nose

Full of dried fruits, toffee and molasses notes, with just a hint of vanilla on the edge.

Palate

A traditional liqueur style Tawny with sweetness on the palate, without being too cloying or unctuous. This fortified wine is full of dark fruit cake – dried fruits, nuts and a hint of spice. There is a syrupy texture on the palate which is balanced with an underlying level of acid. This acid leads to a clean lingering finish.

A perfect end of meal accompaniment designed for old chesterfields and log fires. If you don't have these then don't worry, the wine is sealed with a screwcap for safekeeping. Once opened this wine should last for some months afterward. Cellaring of the wine adds little benefit as we have done this for you in our cool and dark underground wine room. Enjoy.
